

Built for **SAP SuccessFactors** 

Intelligent Time Management Add-On

CICO is a specialized Time Management add-on for SAP SuccessFactors, offering features like Time Capture and Shift Planning. With seamless integration, it optimizes HR processes and empowers professionals for streamlined efficiency, making it ideal for organizations aiming at enhanced accuracy and overall workforce efficiency.

WHY CHOOSE CICO?

- **Touch-Free Clock-in/Clock-out** using secure phone access, eliminating shared hardware devices.
- **Geo-fencing with Biometric Verification** ensures data authenticity through location boundaries and facial/fingerprint recognition.
- **Dynamic Geo-fencing Rules** for easy configuration and adaptation to changing business requirements.
- **Quick Setup** with no expensive hardware installation, the rule engine can be swiftly configured.
- **App Availability** for instant download from Android Play Store and Apple App Store.
- **Seamless SAP SuccessFactors Integration**, eliminating the need for extra login credentials.
- **HRIS Compatibility**, ensuring a seamless flow of user data and CICO-related reports

Unlock End-to-End Time Management Capabilities with CICO
