

Built for **SAP SuccessFactors** 

## Course Creation Solution Add-On

eAuthoring is a robust and comprehensive learning management system designed for new-age learners. Our platform is simplified to enable users to create and publish courses without much complexity.

### Why Choose eAuthoring?

- **Course Creation** using secure phone access, eliminating shared hardware devices.
- **Course Review** ensures data authenticity through location boundaries and facial/fingerprint recognition.
- **Course Consumption** uses various media to create responsive digital content for optimal viewing on all devices.
- **Integration** Seamless SuccessFactors LMS integration for single sign-on support for any organization
- **Course Analytics** In-built dashboard for the course creator enables course effective analysis.
- **3rd Party Training Form** can setup multi-level approval to streamline 3rd Party Training request workflows.

### How eAuthoring works?

#### Create Course

Design the course as per specific business needs and overall course flow.

#### Add Content

Use various content formats from text, image, audio to video and add assessments.

#### Publish & Manage

Publish the course and manage seamlessly from SAP SuccessFactors Learning module
