

Built For **SAP SuccessFactors** 

Unifying Employee Document Management for a Seamless SuccessFactors Experience

SAP Certified

Built on SAP Business Technology Platform

ePFile is a plug and play Employee Document Management add-on build for SAP SuccessFactors users. With a focus on simplicity, cost effectiveness, and seamless integration with SAP SuccessFactors, ePFile provides a comprehensive solution for smart and secure management of employee documents.

Choose ePFile for a Reason:

No Implementation Cost

Minimal implementation as it is a plug-and-play solution.

Cost Effective

Significantly cheaper than OpenText.

Pre-Integrated with SAP SuccessFactors

Leverage existing features and integration within SuccessFactors including document notifications, DocuSign integration.

Single Source of Truth (File Storage & Access control)

Eliminate document duplication and multiple access controls by leveraging SAP SuccessFactors storage and RBP

SAP Compliant Security

Leverage security standards pre-approved in SAP SuccessFactors

Single Repository

Simple Experience

Smart Document Search

Flexible Document Categorization

Document Alert and Audit Logs

Bulk Upload
